GOD OF WAR
BOOK OF JUDGES

now let me tell you the story

of the GOD of WAR

In the days of torment,

Israel was like a teenager

who lost his faith in God.

He was bullied by the nations,

beaten by his enemies,

and ashamed of his weakness.

he was ashamed of being soft

ashamed of trusting in God

Then the Lord called

the Judges—

the ambulance of mercy,

sent to heal a dying, wounded Israel.

Not forever,

but long enough

for them to see their Creator again.

The God of War sent Fire against Baal

His anger grew hot

for the children of Judah

So he sent the Judges

to defeat the doppelgängers

of God’s mighty servants

Samson,

The Rhino Of Judah

rose to battle and to defeat

Hercules

the polished Image of the Greeks

Deborah

rose to battle and to defeat

Athena

the polished Image of Rome

Gideon

rose to battle and to defeat

Leonidas

and his spartan army of the 300

then they fought

Israel fought a mighty battle under the lord

and they barely won

their strength was weak

their numbers were unmatched

but yet

The Lord Yah

Our God of War

said unto thee

“Vengeance is mine

I will repay”

and he did

the doppelgängers had fell

their armies had been defeated

the judges,

servants of the most high

raised their fists in the air

for the lord God who protects

and battles

for his faithful children
